

Micro-credential Proposal

PURDUE UNIVERSITY NORTHWEST

Micro-credentials may provide degree-seeking students credentialed milestones towards degree completion or for working adults skilling-up for their industry. Approved proposals will also need to complete an APCC form, available on the [PNW/Academic Affairs website](#).

Micro-credential Information

1. Name of proposed micro-credential:
2. Department/School/College proposing micro-credential:
3. Name(s) and email address(es) for faculty proposing micro-credential:
4. Will this micro-credential be offered for credit or non-credit?
5. Number of credits (if for credit):
6. Numbers and names of courses (new or existing):
7. Format of courses (online, hybrid, traditional):
8. How long will it take learners to complete this micro-credential?

Learning Outcomes & Assessment

13. List the student learning outcomes for this micro-credential.

14. How will the learning outcomes be assessed? (Be specific in what evidence/artifacts will be collected to indicate that students have met the desired outcomes.)

15. How will the overall effectiveness of the micro-credential be evaluated?

Support for Micro-Credential

16. Does the academic unit(s) have sufficient capacity to offer the necessary courses?

17. Please describe if/how the micro-credential aligns with existing degree programs.

18. Describe how this micro-credential adds value to currently existing programs or activities. Which current university programs or activities does it serve or complement?

19. How will the micro-credential be marketed?
