

Statement of Refusal of Hepatitis B Revaccination

I am aware that my titer for Hepatitis B revealed that I am a non-responder after my initial series of the vaccine. I understand that the College of Nursing recommends that I be revaccinated with HBV vaccine. However, I decline HBV revaccination at this time. I am aware that by declining this vaccine, I continue to be at risk of acquiring HBV, a serious communicable disease. I will not hold liable Purdue University Northwest College of Nursing, Purdue University Northwest, or Purdue University if I contract Hepatitis B
