## Student Rights, Conduct, and Ethics

The College of Nursing adheres to the Purdue University Northwest [Bill of Student Rights](#) and [Student Code of Conduct](#) as stated on the web page. In addition, students in the College of Nursing are expected to abide by the [ANA Code of Ethics](#) for nurses.

In my Castle Branch Medical Document Manager I will check the “received” box and then submit, indicating I am fully aware that that I am obligated to abide by the codes as outlined in the links above. I understand that there are consequences that will affect my academic progress should I fail to abide by these codes.
