Section I: This section is for changes in programs, minors and certificates

List the major changes in each program of study, minor or certificate.

Change the minimum grade requirements for passing a course offered by the College of Business (excluding HTM) from a C- to a C. This change affects all COB (excluding HTM) courses, including prerequisites taught within the COB (core and foundational business courses), but not prerequisites taught outside of the COB (mathematics, economics, etc.).

Impact on Students. (State "N/A" if proposal will not greatly affect students.)

This change allows the COB to align with PNW's University policy and prevents students passing with all "C-" scores from falling below our 2.0 minimum COB GPA requirement.
