

2021-2022 Verification Worksheet

Your Free Application for Federal Student Aid (FAFSA) was selected for a "Verification" process which compares information from your FAFSA with your and your parent(s) 2019 Federal income tax information and/or other financial documents. Based on this review, Purdue University Northwest may need to make electronic corrections to your FAFSA information. Verification must be completed by Sept. 30, 2022 or 120 days after your last day of enrollment for 2021-2022, whichever is earlier. Verification includes receipt of a valid and correct Institutional Student Information Record (ISIR) with an official Expected Family Contribution (EFC). Financial aid will not be disbursed until the verification process is complete.

Federal Law requires Purdue University Northwest review the requested information under the financial program rule 34CFR, Part 668.
