

**2022-2023 Verification Worksheet**

Your Free Application for Federal Student Aid (FAFSA) was selected for a "Verification" process which compares information from your FAFSA with your (and your spouse's, if you are married) 2020 Federal income tax information and/or other financial documents. Based on this review, Purdue University Northwest may need to make electronic corrections to your FAFSA information. Verification must be completed by Sept. 30, 2023 or 120 days after your last day of enrollment for 2022-2023, whichever is earlier. Verification includes receipt of a valid and correct Institutional Student Information Record (ISIR) with an official Expected Family Contribution (EFC). Financial aid will not be disbursed until the verification process is complete.

Federal Law requires Purdue University Northwest to review the requested information under the financial program rule 34CFR, Part 668
