

2026-2027 Verification Worksheet

Your 2026-27 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "verification" which compares information from your FAFSA with 2024 federal income tax data and other information. If there are any differences, your FAFSA information may need to be corrected. During this review, we may ask for additional information. Complete and return this worksheet and any other required documents as soon as possible to avoid any processing delays. Financial aid will not be disbursed (paid) until the verification process is completed. Federal law requires Purdue University Northwest to review this information under federal code 34CFR, Part 668.

What you should do next:

1. Complete and sign this Verification Worksheet. You and at least one parent must sign.
2. Submit this Verification Worksheet, requested documents and *other documents **only as needed** based on answers to sections 2 and 3 (i.e. signed 2024 IRS Tax Returns and applicable schedules or Tax Return Transcripts)* to the Office of Financial Aid.
