James B. Dworkin Student Service and Activities Complex (DSAC) Fitness Center First Floor

Building Text Description

Fitness Center Location:

The James B. Dworkin Student Service and Activities Complex (DSAC) is directly north of South Drive, with a circle drive extending from South Drive towards DSAC. It is directly south of the Technology building, and to the east of Purdue Drive and parking lot 6 and parking lot 7.

The Fitness Center is in the main building of the DSAC, and as a wing it is north of the Conference Center wing, to which it is connected by a single hallway.

Entrances:

There are ten (10) entrances into the DSAC Fitness Center. All doors open toward the outside.

- The Main Entrance is the **Circle Drive Entrance** (1H07), or the south entrance on the southwest side of the building, which leads into the west hallway.
 - This entrance is ADA accessible.
 - This entrance has exterior and interior doors separated by a vestibule.
 - This entrance has two sets of double doors.
 - There is pavement leading up to this entrance.
- The **Southwest Entrance** (1H05) leads into the west hallway.
 - This entrance has exterior and interior doors separated by a vestibule.
 - This entrance has double doors and a single door.
 - There is pavement leading up to this entrance.
- The **East Entrance** leads into the east hallway.
 - This is a double door entrance.
 - There is pavement leading up to this entrance.
- The **Northeast Entrance** leads into the northeast stairway.
 - This is a single door entrance.
 - There is pavement leading up to this entrance.
- The **Main Northeast Entrance** (1H03) leads into the east hallway.
 - This entrance has exterior and interior doors separated by a vestibule.
 - This is a double door entrance.
 - There is pavement leading up to this entrance.
- The **Main Northwest Entrance** (1H06) leads into the gymnasium and the west hallway.
 - This entrance has exterior and interior doors separated by a vestibule.
 - This entrance has two sets of double doors, one set leads into the gymnasium, the other into the west hallway.
 - There is pavement leading up to this entrance.

- The **West Northwest Entrance** leads into room 1093E. This is a double door entrance.
- The **Northwest Entrance** leads into room 1022A. This is a double door entrance.
- The **North Northeast Entrance** is a single door entrance into room X0001.
- The **South Northeast Entrance** is a single door entrance into room 1010B.

Elevators:

There is one (1) elevator in the Fitness Center wing of DSAC.

The **Elevator** (1E01) is located off of the east hallway close to the main entrance. It is located on the west side of the east hallway.

Stairs:

There are four (4) stairways on the first floor of the Fitness Center wing of DSAC.

- The **Northeast Stairway** (1S01) is located at the northeast corner of the building.
 - These stairs lead to the second floor of DSAC.
 - The one door into the stairway is the northeast entrance.
- The **Northwest Stairway** (1S02) is located in the northeast corner of the building and to the west of the northeast stairway.
 - This stairway does not lead to the second floor.
 - The entrance into the stairway is off of the main northeast entrance's vestibule.
- The **Southeast Stairway** (1S03) is located in the southeast side of the fitness center wing, off of room 1101. It leads to the second floor's running track.
- The **Southwest Stairway** (1S04) is located in the southwest corner of the fitness center wing, at the juncture of the east hallway and the south hallway. It leads to the second floor.

Restrooms:

There is one (1) set of restrooms on the first floor of the Fitness Center wing of DSAC.

The restrooms are located off of the east hallway, rooms 1016 and 1032.

- The women's restroom is room 1016.
- The men's restroom is room 1032.
- These restrooms are ADA accessible.
- These restrooms have stalls.

Building layout (hallways & open areas):

There are three (3) hallways on the first floor of the Fitness Center wing of DSAC

- The **East Hallway** (1H01) is located on the east side of the building, running north to south. It connects with the main northeast entrance, the Circle Drive entrance, and extends eastward to connect with the east entrance. The east hallway is also the

hallway which connects to the Conference Center wing, turning into the west hallway of the Conference Center wing.

- The **West Hallway** (1H04) is located on the west side of the building, running north to south. It connects with the south hallway, the southwest entrance, and the main northwest entrance.
- The **South Hallway** (1H02) is located on the south side of the building, running east to west. It connects with the west hallway and with the east hallway. The south hallway is separated from the east hallway by a set of double doors which open toward the east hallway.

Room Locations:

- The **Student Study Lounge** is room 1007, located off of the east hallway. There are two single door entrances into the room; both doors open into the hallway.
- The **Conference Room** is room 1009, located off of the east hallway through a single door entrance which opens into the room. There is also an entrance through room 1021.
- The **Veteran's Lounge** is room 1002A, located off of the east hallway through a single door entrance which opens into the room.
- The **Game Room** is room 1102, located off of the intersection of the east hallway and the fitness area.
- The **Fitness Area** is room 1101, located off of the east hallway.
- The **Meeting Room** is room 1113, located off of the east hallway near the Circle Drive entrance.
- The **Welcome Center** is room 1114B, located off of the east hallway near the Circle Drive entrance.
- The **Men's Fitness Center Locker Room** is 1108, located off of an east hallway alcove which also leads to the women's fitness center locker room.
- The **Women's Fitness Center Locker Room** is 1110, located off of an east hallway alcove which also leads to the men's fitness center locker room.
- The **Gymnasium** is room 1022. There are six (6) entrances into the gymnasium from the east hallway, the south hallway, the west hallway, room 1022A, and through the main northwestern entrance.
 - There is one double door entrance into the gymnasium from room 1022A; the doors open into the gymnasium.
 - The door from the main northwest entrance is a double door entrance with the doors opening toward the entrance.
 - There is one door off of the west hallway; it is a double door entrance which opens into the hallway.
 - There are two entrances off of the south hallway that open into the southeast and southwest corners of the gymnasium.

- The entrance into the southwest corner of the gymnasium is a double door and a single door together, which open into the hallway.
 - The entrance into the southeast corner of the gymnasium is a double door opening into the hallway.
- The entrance off of the east hallway is four (4) double doors, all of which open towards the east hallway. This entrance is located within an alcove of the east hallway, which is the length of the doorways.
- The **Women Team Locker Room** is 1051, located off of the south hallway with a single door entrance which opens into the hallway.
- The **Women Visitor Locker Room** is 1059, located off of the south hallway with a single door entrance which opens into the hallway.
- The **Men's Team Locker Room** is 1063, located off of the south hallway with a single door entrance which opens into the hallway.
