# Millard E. Gyte Building (GYTE) Second Floor

## Building Text Description

### Building Location:

The Millard E. Gyte Building (GYTE) is located in the northwest corner of the Hammond campus, east of Woodmar Ave. and southwest of 169<sup>th</sup> Street parking, just south of the Gyte Annex Building, northwest of the Founders Plaza, and west of Porter Hall. GYTE is located on the Peregrine Path.

### Entrances:

There are ten (10) entrances into GYTE, and they are located on the first floor. To access the second floor, there are six (6) stairways and one (1) elevator which lead onto this floor.

### Elevators:

There is one (1) elevator in GYTE. The **West Elevator** (2E01) is located off of the northwest hallway at the east end of the hallway.

### Stairs:

There are six (6) stairways on the second floor in GYTE.

- The **South Stairway** (2S03) is located at the corner of the southwest hallway and the central hallway. There is a double door entrance opening into the stairway from the southwest hallway, and a single door entrance into the stairway from room 103.
- The **Southwest Stairway** (2S05) is located at the corner of the southwest hallway and the west hallway. There is a double door entrance into the stairway from the hallway.
- The **Northwest Stairway** (2S04) is located at the corner of the west hallway and the northwest hallway. There is a double door entrance into the stairway from the hallway.
- The **North Central Stairway** (2S02) is located off of the northeast hallway, near the connection to the central hallway, with a single door opening into the stairway.
- The **Northeast Stairway** (2S01) is located at the east end of the northeast hallway. There is a single door entrance into the stairway from the hallway.
- The **Southeast Stairway** (2S06) is located off of the east hallway.

### Restrooms:

There are two (2) sets of public restrooms on the second floor of GYTE.

- The first set of restrooms are located off of the northwest hallway, rooms 225 and 229.
  - The women's restroom is room 225A, with a lounge area in room 225.
  - The men's restroom is in rooms 229 and 229A.

- The second set of restrooms are located off of the southeast hallway, rooms 264 and 266.
  - The men's restroom is room 264.
  - The women's restroom is room 266.

### Building layout (hallways & open areas):

There are seven (7) hallways on the second floor of GYTE. The west and the east sides of the building both have hallways which connect to form a rectangle, with both sides using the central hallway to connect the north and south hallways.

- The **Southwest Hallway** (2H06) runs east to west, connecting to the central hallway, the west hallway, the southwest stairway, and the south stairway.
- The **West Hallway** (2H08) runs north to south, connecting to the southwest hallway, the northwest hallway, the southwest stairway, and the northwest stairway.
- The **Northwest Hallway** (2H04) runs east to west, connecting to the central hallway, the west hallway, the northwest stairway, and the west elevator.
- The **Central Hallway** (2H05) runs north to south, connecting to the northwest hallway, the northeast hallway, the southwest hallway, and the southeast hallway.
- The **Northeast Hallway** (2H01) runs west to east, connecting to the central hallway, the north central stairway, the northeast stairway, and the east hallway. There are double doors separating the northeast hallway from the central hallway, and single doors separating it from both the east hallway and the northeast stairway.
- The **East Hallway** (2H02 & 245) runs north to south, connecting to the northeast hallway, the southeast stairway, and the southeast hallway. There is a single door separating the east hallway from the northeast hallway.
- The **Southeast Hallway** (2H03) runs west to east, connecting to the central hallway and the east hallway.

### Room Locations:

- Rooms 202 – 208 are located off of the southwest hallway in ascending order east to west.
- The **General Chem Labs 1, 2, and 3** are in rooms 202, 206, and 208, respectively. They are located off of the southwest hallway. Labs 1 and 2 have a single door connecting them to the lab prep room, 204, and lab 3 connects to lab 2 through a single door. Lab 1 has a second entrance off of the central hallway.
- The **Lab Prep Room** is 204, located off of the southwest hallway, and it has single doors connecting it to both general chem labs 1 and 2.
- Rooms 209 – 215 are located off of the west hallway in ascending order south to north.
- Rooms 216 – 231 are located off of the northwest hallway in ascending order west to east.
- The **Advanced Chemistry Lab** is room 216, located off of the northwest hallway.

- **Biology Labs** are in rooms 217 and 219, located off of the northwest hallway. These two rooms are connected, with a wall that does not fully separate them.
- **Analytic Instrument** is in room 218, located off of the northwest hallway. This room connects, via a single door each, to the advanced chemistry lab, room 216, and organic chemistry, room 220.
- **Organic Chemistry** is in room 220, located off of the northwest hallway. There are single doors connecting this room to analytic instrument, room 218, and room 222
- Rooms 232 – 244 are located off of the northeast hallway in ascending order west to east.
- The **Science Lab** is room 232, located off of the northeast hallway, with two single doors into the room opening into the hallway.
- The **Chemistry Research Labs** are in rooms 233, 238, and 242, located off of the northeast hallway. Lab 233 connects to the instrumentation lab, room 235, via a single door. Lab 242 connects to room 244.
- The **Instrumentation Lab** is room 235, located off of the northeast hallway, with two single doors into the room opening to the hallway. There is also a door connecting this room to the chemistry research lab 233.
- **Chemistry Research NMR** is in room 236, located off of the northeast hallway.
- The **Education Math & Science Lab** is room 237, located off of the northeast hallway, with two single doors into the room opening to the hallway.
- There is a lecture room with fixed seating in room 240.
- **Art & Design** is in room 241, located off of the northeast hallway, with two single doors into the room opening to the hallway.
- Rooms 244 – 261 are located off of the east hallway in ascending order north to south.
- The **Conference Rooms** are in rooms 261 and 297. Conference Room 261 is located at the corner of the east hallway and the southeast hallway. Conference Room 297 is located at the corner of the central hallway and the southeast hallway.
- Rooms 263 – 298 are located off of the southeast hallway in ascending order east to west.
