## Schwarz (SWRZ) First Floor

### Building Text Description

#### Building Location:

Schwarz Hall (SWRZ) is located in the northern section of campus, south of both North Drive and University Drive, directly south of Parking Lot #1, and directly north of Central Drive. SWRZ is directly west of the Library Student Faculty Building and northwest of the Plaza.

#### Entrances:

There are four (4) entrances and one (1) loading dock into SWRZ.

- The **South Entrance** leads into the south stairway, which opens into the corner of the south hallway and the east hallway.
  - This entrance is ADA accessible.
  - This entrance has pavement leading up to it.
  - The entrance has both an exterior and an interior set of double doors which are separated by a vestibule. These doors open toward the outside.
- The **Northeast Entrance** leads into the corner of the east hallway and the north hallway.
  - This entrance is ADA accessible.
  - This entrance has pavement leading up to it.
  - The entrance has both an exterior and an interior set of double doors which are separated by a vestibule. These doors open toward the outside.
- The **Northwest Entrance** leads into the north stairway, which opens into the corner of the north hallway and the west hallway.
  - This entrance is ADA accessible.
  - This entrance has pavement leading up to it.
  - The entrance has both an exterior and an interior set of double doors which are separated by a vestibule. These doors open toward the outside.
- The **West Entrance** leads into the campus relations hallway. This entrance has pavement leading up to it.
- The **Loading Dock** is room 165, located on the south side of the building, just northeast of the greenhouse.

#### Elevators:

There is one (1) **Elevator** in SWRZ, located off of the south hallway, near the south entrance.

#### Stairs:

There are two (2) stairways in SWRZ.

- The **North Stairway** is located in the northwest corner of the building, connected to the northwest entrance, with a pair of double doors opening into the stairway from the corner of the north hallway and the west hallway.
- The **South Stairway** is located in the southeast corner of the building, connected to the south entrance, with a pair of double doors opening into the stairway from the corner of the south hallway and the east hallway.

### Restrooms:

There is one (1) set of restrooms on the first floor of SWRZ.

The restrooms are located off of the south hallway, rooms 161 and 163.

- The Women's restroom is 163.
- The Men's restroom is 161.

### Building layout (hallways & open areas):

There are six (6) hallways on the first floor of SWRZ. The south hallway, west hallway, north hallway, and east hallway all connect to form a rectangle.

- The **North Hallway** runs east to west, connecting with the west hallway, the east hallway, the northwest entrance, and the northeast entrance.
- The **West Hallway** runs north to south, connecting with the north hallway, the campus relations hallway, the south hallway, and the northwest entrance.
- The **East Hallway** runs north to south, connecting with the north hallway, the south hallway, the south entrance, and the northeast entrance.
- The **South Hallway** runs west to east, connecting with the west hallway, the east hallway, and the south entrance.
- The **Campus Relations Hallway** runs west to east, connecting with the west hallway and the west entrance.
- The **Interior Campus Relations Hallway** is located in the campus relations department and runs both north to south and west to east, with both ends of the hallway connecting with the receptionist area.

### Room Locations:

- Rooms 101 – 110 are located off of the north hallway in ascending order west to east.
- Rooms 111 – 119 are located off of the east hallway in ascending order north to south.
- **Biology Labs** are in rooms 112, 114, 118, and 121. The **Biology Prep Room** is 116, and the **Biology/Chemistry Lab** is 120. Labs and prep room 112 – 118 are located off of the east hallway, lab 121 is off of the west hallway, and lab 120 is off of the north hallway. Biology labs 118 and 114 both have doors connecting to the Biology Prep room. The biology/chemistry lab connects to biology lab 121.
- Rooms 120 – 135 are located off of the west hallway in ascending order north to south.

- The **Bursar** is room 127, located off of the west hallway. 127A – 127F are located off of the Bursar. The Bursar has three entrances, two single doors which open into the hallway, and one set of double doors which open into the Bursar.
- The **Vending Room** is 130, located off of the west hallway with a pair of double doors opening into the hallway.
- The **Conference Room** is 135, located off of the west hallway with a single door opening into the hallway.
- The **Chancellor** is room 137, located off of the Campus Relations hallway. Rooms 137A – 137D are off of room 137.
- The **Campus Relations** department is located off of the campus relations hallway. Rooms 138 – 155 are located within this department.
  - The **Receptionist** area is room 158, located at the entrance of the department.
  - The **Conference Room** is 142, located off of the interior campus relations hallway. It has a single door entrance from the hallway and from room 144.
  - The **V.C. of Academic Affairs** is in room 150, located off of the interior campus relations hallway.
- Rooms 160 – 165 are located off of the south hallway in ascending order west to east.
- The **Loading Dock** is room 165, located off of the south hallway; it also has an exterior entrance located on the south side of the building, just northeast of the greenhouse.
- The **Greenhouse** is room 170, located outside of the main building, just southeast of the loading dock entrance and the south entrance.
