## LEGEND

- Roads
- Parking
- Founders Plaza
- "Peregrine Path"

### What is the Peregrine Path?

The Peregrine Path is the pathway between Lawshe Hall and the Anderson Building. It runs exterior between Lawshe Hall and the Gyte Building and from Gyte to the Powers Building, and then continues along interior corridors to Anderson. This path is highlighted on maps and guide signs and will help you navigate to destinations in the buildings along the path.

# Purdue University Northwest Hammond Campus Map

## Text Description

### Area Map

The Purdue University Northwest Hammond Campus is bordered by 169th Street on the north, Woodmar Avenue on the west, Wicker Avenue on the east. The far south end of the campus is bordered by Interstates 80/94 and 173rd Street cuts through the lower third of the campus.

Four buildings are located outside these borders. They include:

- the **Roberts Center for Innovation & Design in Engineering Technology**, at 7040 Indianapolis Boulevard
- the **Indianapolis Blvd. Counseling Center**, housing the **Couple and Family Therapy Center** and **Community Counseling Center**, at 7030 Indianapolis Boulevard
- the **Commercialization and Manufacturing Excellence Center** at 7150 Indianapolis Boulevard
- the **Purdue Northwest Athletics Complex at Dowling Park**, at 175th and Parrish Avenue.

## Campus Map

### Academic Buildings

Many of the main academic classroom buildings are located along Woodmar Avenue, south of 169th Street and north of 171st. Traveling south from 169th Street in the Northwest Corner of campus, along Woodmar Avenue, you will find

- the **Anderson Building**,
- the **Classroom Office Building**
- the **Powers Building**
- the **Potter Building**
- and the **Gyte Building**.

Directly east of the Gyte Building, north of 171st Street is **Porter Hall**.

### **Student Union and Library Building | Lawshe Hall**

The **Student Union & Library**, including dining facilities, the **Welcome Center** and the **PNW Library** is located south of the academic buildings. Administrative offices are in **Lawshe Hall**, on Woodmar, north of 173rd.

## **Nils K. Nelson Bioscience Innovation Building**

The **Nils K. Nelson Bioscience Innovation Building** is located just south of the **Student Union and Library Building**.

## **University Services**

The **University Services Building** is located just south of 169th Street to the Northwest of Wicker Avenue.

## **Schneider Avenue Building and University Police**

On the northeast side of the campus, the **Schneider Avenue Building** is located on Schneider Avenue south of 169th Street and houses administrative and academic offices. The **University Police Station** is located on the east side of the Schneider Avenue Building, with the entrance off Osborn Avenue.

## **South Campus**

South campus is bordered by 173rd Street on the North and Interstates 80/94 to the south. Moving south from 173rd, east of Woodmar, you will find

- the **Fitness and Recreation Center**
- the **White Lodging Center for Hospitality and Tourism Management** building which also houses the **Challenger Learning Center**.

**University Village Housing** is located to the east of the Fitness Center, with **Peregrine Hall** and **Griffin Hall**.

## **Parking**

Most of the parking on campus is open, with some restricted lots near Lawshe Hall. Parking lots on the north campus are available just south of the University Services Building and the University Police Station, and east of the Anderson, Classroom Office and Potter buildings. The **169th Street Parking Garage** is located at the corner of Wicker Ave and 171st Street.

Parking is available south of the Nils K. Nelson Bioscience Innovation Building and south and east of Lawshe Hall, north of 173rd.

There is additional parking outside the Fitness Center and University Village Housing, south of 173rd.
