What will make you proud when you look back on your college experience? How about striding across the stage at graduation, or getting your first real job offer? Picture yourself thinking back through the experiences that gave you the confidence to start a career or pursue a graduate degree. The friends, professors and mentors; the places you hung out, like Chicago, Lake Michigan beaches or neighborhood hotspots. Most importantly, the things you were exploring when you found your voice—or as our students say, your ROAR.

College is more than lectures and books. It is about discovering who you are and what you are good at doing. At Purdue Northwest you will earn a quality degree while gaining real-world experience that prepares you for lifelong success. It all begins by joining the “Pride,” at Purdue Northwest.

“In the beginning it is difficult to adapt, but at the end of the day it is an experience that you will never forget. It will make you grow as a person and career-wise you will be successful in everything you do.”
- Lucy Ireland M.A., Communications

“I would encourage students from other countries to come to Purdue Northwest because you get a lot of one-on-one interaction with the faculty members. They can guide you through every step of completing your major and make sure you understand everything that is being taught to you.”

Do you have a minimum score of 61 on TOEFL or 5.5 on IELTS?

Depending on placement scores, take one to four semesters of classes in the ELP Program.

Apply directly to the ELP Program.

The English Language Program (ELP) provides intensive academic English as a Second Language instruction and cultural orientation for English Language learners. Our highly experienced and dedicated teachers and staff, rigorous curriculum, and enthusiastic mentors will help you to excel in your English studies and facilitate your transition into American culture and the American education system.

Purdue Northwest also offers an ELP Program designed for students with advanced English proficiency who wish to take ELP classes in combination with academic classes. We offer a Pathway to Undergraduate Study and a Pathway to Graduate Study. For more information, visit pnw.edu/elp/pathway-program.

OFFICE OF GLOBAL ENGAGEMENT

The Office of Global Engagement (OGE) works to help all PNW students develop a global mindset through academic, cultural, and hands-on experiences. The OGE encompasses International Admissions, the English Language Program, International Students and Scholars Services, International Programs, Global Partnerships, and Education Abroad services.

Learning about the world is not limited to opportunities within the classroom. We encourage our students to participate in intercultural programs, events, peer mentoring, study abroad, exchange programs and more. From the time you apply and receive your admission decision, through your Visa appointment, pre-departure, arrival, immigration check-in, and new student orientation – our team is here to support you!

INVEST IN YOUR FUTURE

CHANCELLOR’S INTERNATIONAL STUDENT MERIT SCHOLARSHIP

Apply for admission early! A limited number of scholarships will be awarded based on high academic achievement to international students who have never completed courses at Purdue Northwest and who have been admitted to a degree-granting program. All students who submit an undergraduate application will be automatically considered for this scholarship during the admissions process.
