How to reply to a thread in the Discussion Board

1. Click on the Discussion Board tab.
2. Click on the name of the discussion in which you wish to reply to a thread.

3. Click on the Thread that you wish to comment on.

4. You will be brought to another page. Here, you can read the post that you clicked on. To reply to this post, click Reply. This will be located at the bottom of the post.

5. Now you are ready to enter your reply. You can type directly into the Message area. Once you have typed what you want in the message area and want to post it to the Discussion Board, click on the blue Submit button.
You can type your reply here.
