  ![WebEx Meeting](image)
From the Webex site

Go to Attend a Meeting and enter meeting number the click the Join button.

From a Phone

Dial the Phone number shown on the Meeting Invitation email.

From a Mobile Device

Start the Cisco WebEx meeting app. On the landing page select Join Meeting and enter the meeting number or go to the My Meetings page and tap the Join button.

- Once you join the meeting you need to choose your Audio and/or Video settings.
- If the Join button is inactive, the host may not have started the meeting yet.
