Top Menu Bar Missing
If your top menu bar is missing and your screen looks like the image below, you must click on the light gray arrow to make the menu bar visible.

My Meetings
1. Click the WebEx Meetings tab.
2. On the left side, select the drop down menu Host a Meeting and click My Meetings.
3. Find the meeting you want to begin and click **Start**.

   ![Meeting Schedule](image)

   - Click on the meeting you want to start and click **Start**.

4. Activate your webcam by selecting the **video camera icon**.

   ![Webcam Activation](image)

   - Click on the video camera icon to activate your webcam.

5. Check your audio settings by selecting the **phone icon**.

   ![Audio Settings](image)

   - Click on the phone icon to check and adjust your audio settings.
