Edward D. Anderson Building (ANDR) Second Floor

Building Text Description

Building Location:

The Edward D. Anderson Building (ANDR) is located in the northwest corner of the Hammond campus, east of Woodmar Ave. and just south of 169th St. ANDR is at the northern end of the Peregrine Path, just north of the Classroom Office Building, and northwest of 169th Street Parking. There is a circle drive that extends off of Woodmar Ave. to the southwest entrance.

Entrances:

There are seven (7) entrances into ANDR. All of them are located on the first floor. To access the second floor there are three (3) stairways and one (1) elevator that lead onto this floor.

Elevators:

There is one (1) elevator (2E01) in ANDR, located at the north end of the west hallway next to the northwest stairway.

Stairs:

There are three (3) stairways in ANDR.

- The **South Stairway** (2S01) is located at the south end of the west hallway with double doors leading into the hallway.
- The **Northwest Stairway** (2S02) is located at the corner of the west hallway and the north hallway with double doors leading into the hallway.
- The **Northeast Stairway** (2S03) is located at the east end of the north hallway with double doors leading into the hallway.

Restrooms:

There is one (1) set of public restrooms on the second floor of ANDR. The restrooms are located off of the north hallway off of an alcove, rooms 223 and 225.

- The women's restroom is 223.
- The men's restroom is 225.

Building layout (hallways & open areas):

There are five (5) hallways on the second floor of ANDR. There are two main hallways, north and west, which connect to each other and each of them connect to a smaller hallway, east and south, which connect to each other, forming a rectangle.

- The **South Hallway** (2H03) runs west to east, connecting to the west hallway and the east hallway.

- The **West Hallway** (2H01) runs north to south, connecting to the north hallway, the northwest stairway, the south hallway, and the south stairway.
- The **Small West Hallway** (2H02) runs north to south, turning east to west only to connect to the west hallway at the north and south ends of the hallway, connecting through single doors which open into the hallway.
- The **North Hallway** (2H06) runs east to west, connecting to the northeast stairway, the east hallway, the west hallway, and the northwest stairway.
- The **East Hallway** (2H04 & 2H05) runs north to south, cornering briefly near the connection to the north hallway, still running north to south. This hallway connects to the north hallway and the south hallway.

Room Locations:

- Rooms 200 – 213 are located off of the west hallway in ascending order south to north.
- Rooms 208A – 208P are located off of the small west hallway in ascending order going clockwise starting in the southeast corner.
- Rooms 215 – 229 are located off of the north hallway in ascending order, west to east.
- The **Manual/CAD Drafting Lab** is room 216, located off of the north hallway. This room also connects with the computer aided design lab, room 220, and the computer graphics tech gallery, room 218.
- The **Fluid Power Equipment Lab** is room 217, located off of the north hallway.
- The **Computer Graphics Tech Gallery & Collaboration Room** is 218, located off of the north hallway, and it also connects to the manual/CAD drafting lab, room 216.
- The **Computer Aided Design Lab** is room 220, located off of the north hallway with two single door entrances, in addition to connecting to the manual/CAD drafting lab.
- **CT Senior Design** is room 222, located off of the north hallway.
- A **Conference Room** is 224, located off of the north hallway.
- **Computer Integrated Design & Manufacturing** is room 229, located off of the north hallway.
- Rooms 230 – 242 are located off of the south hallway in ascending order west to east.
- Rooms 243 – 250 are located off of the east hallway in ascending order south to north.
- The **Industrial Engineering Lab/Technology Lab** is room 244, located off of the east hallway.
- **Robotics Lab MMR** is room 245, located off of the east hallway.
- **Mechanical Engineering Experiment** is room 246, located off of the east hallway.
- A **Conference Room** is 247, located off of the east hallway.
- **C/T CAD Manual Drafting** is room 250, located off of the east hallway. There are two doors into this room.
