James B. Dworkin Student Service and Activities Complex (DSAC) Fitness Center Second Floor

Building Text Description

Fitness Center Location:
The James B. Dworkin Student Service and Activities Complex (DSAC) is directly north of South Drive, with a circle drive extending from South Drive towards DSAC. It is directly south of the Technology building, and to the east of Purdue Drive and parking lot 6 and parking lot 7.

The Fitness Center is the main building of the DSAC, and as a wing it is north of the Conference Center wing, to which it is connected by a single hallway.

Entrances:
There are ten (10) entrances into the DSAC Fitness Center. All of them are located on the first floor.

Elevators:
There is one (1) elevator in the Fitness Center wing of DSAC.

The Elevator (1E01) is located off of the west hallway on the south end of that hallway.

Stairs:
There are four (4) stairways on the second floor of the Fitness Center wing of DSAC.

- The Northeast Stairway (2S01) is located at the northeast corner of the building.
  - These stairs lead to the first floor of DSAC.
  - The entrance to the stairway is off of room 2001G, which is part of the running track.
- The Southeast Stairway (2S03) is located in the southeast side of the fitness center wing, off of the running track. It leads to the first floor, room 1101.
- The Southwest Stairway (2S04) is located in the southwest corner of the fitness center wing, off of the west hallway. It leads to the first floor.
- The South Stairway (2S02) is located in the south side of the Fitness Center, out of room 2002. This stairway does not lead to the first floor.

Restrooms:
There is one restroom on the second floor of the Fitness Center wing of DSAC. It is located off of the west hallway, room 2055.

- This is a single user restroom.
- This is a unisex restroom.
Building layout (hallways & open areas):
There is one (1) hallway and one (1) open area on the second floor of the Fitness Center wing of DSAC.

- The main open area on the second floor of DSAC is the curving, oblong **Running Track** and the corresponding open rooms connected to it.
  - This open area is located on the east side of the building.
  - A large portion of the interior of the running track is open to the first floor below.
  - The running track connects with the northeast stairway, the southwest stairway, and the west hallway.
- The **West Hallway** (2H01) is located on the west side of the building, running north to south. It connects with the elevator, the southwest stairway, and the running track. The west hallway is separated from the running track by a set of double doors which open into the running track.

Room Locations:
- The **Running Track** is room 2001. It is accessible via the southeast stairway, northeast stairway, and the west hallway. It also includes rooms 2001A – 2001G.
- Rooms 2001 – 2003 are located off of the running track area. They are in ascending order going counter-clockwise starting at the west hallway entrance.
- There are two **Exercise Rooms**, located next to each other, off of the west hallway.
  - Room 2049 has two (2) single door entrances opening into the west hallway.
  - Room 2043 has three (3) single door entrances. The two entrances off of the west hallway open into the hallway. The third entrance opens into the room off of room 2059.
- Rooms 2040 – 2059 are located off of the west hallway in ascending order from south to north.
