Millard E. Gyte Annex Building (ANNX) Ground Floor

Building Text Description

Building Location:
The Millard E. Gyte Annex Building (ANNX) is located in the northwest corner of the Hammond campus, east of Woodmar Ave. and west of 169th Street Parking, just south of the Powers Building and the Potter Building, and just north of the Gyte Building. ANNX is located on the Peregrine Path.

Entrances:
There are four (4) entrances into ANNX on the ground floor.

- The **South Entrance** leads into the central hallway.
  - This is a double door entrance.
  - This entrance is part of the Peregrine Path and connects to the Gyte Building.
- The **Northeast Entrance** (X3) leads into the northeast stairway. The stairway connects to the north end of the east hallway.
- The **Southeast Entrance** (X2) is a mechanical entrance.
- The **North Entrance** (X4) leads into the north stairway/elevator, which connects to the north end of the central hallway.
  - This is a double door entrance.
  - This entrance is part of the Peregrine path and connects to the Andrey A. Potter Building.

Elevators:
There is one (1) **Elevator/Lift** (GS01) in ANNX, located at the north end of the central hallway, as part of the north stairway. The elevator leads to the first floor of the Donald S. Powers Computer Education Building.

Stairs:
There are three (3) stairways in ANNX.

- The **North Stairway** (GS01) is located at the north end of the central hallway and the north entrance. This stairway also includes an elevator/lift that leads to the Donald S. Powers Computer Education Building. Double doors open into the hallway.
- The **Northeast Stairway** (GS02) is located at the north end of the east hallway and at the northeast entrance.
- The **West Stairway** is located off of the west hallway through a set of double doors opening into the stairway.
Restrooms:
There is one (1) set of public restrooms on the ground floor of ANNX. The restrooms are located off of the west and southwest hallways, rooms 9 and 71.

- These restrooms are ADA accessible.
- The women’s restroom is 9.
- The men’s restroom is 71.

Building layout (hallways & open areas):
There are six (6) hallways on the ground floor of ANNX. The four hallways on the west side of the building all connect to form a rectangle, while the east side of the building has two hallways that connect to each other and to the central hallway.

- The Southwest Hallway (GH05) runs east to west, connecting to the west hallway and the central hallway; the hallway is separated from the central hallway by double doors opening in both directions.
- The West Hallway (GH02) runs north to south, cornering in the middle to the west to connect with the west stairway. This hallway connects with the southwest hallway and the north hallway.
- The North Hallway (GH01) runs west to east, connecting to the west hallway and the central hallway; the hallway is separated from the central hallway by double doors opening in both directions.
- The Central Hallway (GH03) runs north to south, connecting to the southeast hallway, the north hallway, the southwest hallway, the north stairway/elevator, and the south entrance. The hallway is separated from the southwest and north hallways by double doors opening in both directions.
- The Southeast Hallway (GH06) runs west to east, connecting to the central hallway and the east hallway.
- The East Hallway (GH04) runs north to south, connecting to the southeast hallway and the northeast stairway.

Room Locations:
- Rooms 2, 70, and 71 are located off of the west hallway.
- Rooms 5 – 24 are located off of the southwest hallway in ascending order west to east.
- Rooms 25, 26, and 40 are located off of the central hallway.
- The Biology Research Lab is room 25, located off of the central hallway.
- Rooms 27 – 30 are located off of the southeast hallway in ascending order west to east.
- Rooms 32 – 36 are located off of the east hallway in ascending order south to north.
  Rooms 32A – 32H are located off of room 32 in ascending order south to north.
- The Waiting Room is 34, located off of the east hallway.
- Rooms 50 – 64 are located off of the north hallway in ascending order east to west.
