Millard E. Gyte Building (GYTE) Ground Floor

Building Text Description

Building Location:

The Millard E. Gyte Building (GYTE) is located in the northwest corner of the Hammond campus, east of Woodmar Ave. and southwest of 169th Street parking, just south of the Gyte Annex Building, northwest of the Founders Plaza, and west of Porter Hall. GYTE is located on the Peregrine Path.

Entrances:

There are ten (10) entrances into GYTE, and they are located on the first floor. There are three (3) entrances that lead onto the ground floor, in addition to access via the six (6) stairways and two (2) elevators which lead onto the ground floor.

- The **Northeast Entrance** (1H01) leads into the northeast stairway, which leads into the east end of the north central hallway.
 - There are two double doors opening into a vestibule, and a single door leading into the hallway.
 - There are stairs leading from the entrance into the hallway.
- The **North Entrance** (G8) leads into the north hallway.
 - This entrance is part of the Peregrine Path and connects to the Gyte Annex Building.
 - This is a double door entrance.
- The **Peregrine Path Entrance** leads into the north hallway.
 - The entrance leads into the hallway that connects to the Gyte Annex building and is part of the Peregrine Path.
 - There is a ramp and stairs leading up to this entrance.

Elevators:

There are two (2) elevators in GYTE.

- The **East Elevator** (GE02) is located off of the north end of the east hallway.
- The **West Elevator** (GE01) is located off of the northwest hallway at the east end of the hallway.

Stairs:

There are seven (7) stairways on the ground floor in GYTE.

- The **South Stairway** (GS03) is located off of the south hallway. There is a double door entrance opening into the stairway from the hallway.

- The **Southwest Stairway** (GS05) is located at the corner of the south hallway and the west hallway. There is a double doors entrance into the stairway from the hallway.
- The **Northwest Stairway** (GS04) is located at the corner of the west hallway and the northwest hallway. There is a double doors entrance into the stairway from the hallway.
- The **North Central Stairway** (GS02) is located off of the north central hallway, near the connection to the south central hallway, with a single door opening into the stairway.
- The **Northeast Stairway** (GS01) is located at the east end of the north central hallway. The stairway connects the entrance to the hallway through a single door.
- The **East Stairway** (GS06) is located off of the tutoring hallway, room 70.
- The **Mechanical Stairs** are in the mechanical area leading into the room from the hallway.

Restrooms:

There are two (2) sets of public restrooms on the ground floor of GYTE.

- The first set of restrooms are located off of the northwest hallway, rooms 25 and 29.
 - The women's restroom is room 25A, with a lounge area in room 25.
 - The men's restroom is in rooms 29 and 29A.
- The second set of restrooms are located off of the north central hallway, rooms 50 and 56.
 - The men's restroom is room 56.
 - The women's restroom is room 50.

Building layout (hallways & open areas):

There are nine (9) hallways and one (1) open area on the ground floor of GYTE. On the west side of the building, four of the hallways connect to form a rectangle, which connects to the west end of the north central hallway.

- The **Student Lounge** is room 57, located off of the north central hallway, the east hallway, and the tutoring hallway, separated by all of them by double doors. The lounge is two main areas with low walls around the areas.
- The **South Hallway** (GH06) runs east to west, connecting to the south central hallway, the west hallway, the southwest stairway, the south stairway, and the northeast end of the small south hallway.
- The **West Hallway** (GH08) runs north to south, connecting to the south hallway, the small south hallway, the northwest hallway, the southwest stairway, and the northwest stairway.
- The **Northwest Hallway** (GH04) runs east to west, connecting to the south central hallway, the west hallway, the northwest stairway, and the west elevator.
- The **South Central Hallway** (GH05) runs north to south, connecting to the northwest hallway, the north central hallway, and the south hallway.

- The **North Hallway** (GH09) runs north to south, is part of the Peregrine Path connecting to the Gyte Annex building, and connects to the north entrance, the Peregrine Path entrance, and the north central hallway, which is separated from the north hallway by double doors opening into the north hallway.
- The **North Central Hallway** (GH01) runs west to east, connecting to the south central hallway, the north hallway, the student lounge, the north central stairway, the northeast entrance, and the northeast stairway. There are double doors separating the north central hallway from everything except the northeast stairway, which is a single door entrance.
- The **East Hallway** (GH03 & GH02) runs north to south, connecting to the student lounge and the east elevator. There are double door separating the hallway from the lounge, and the north end of the hallway.
- The **Small South Hallway** runs east to west, and at the east end corners and runs north to south to connect to the south hallway. The small south hallway connects to the west hallway and the south hallway.
- The **Tutoring Hallway**, room 70, runs east to west, connecting to the east stairway, the student lounge, and student tutoring, a double doorway separating it from the lounge.

Room Locations:

- Rooms 1, 2, 4, 6, and 8 are located off of the south hallway in ascending order east to west.
- Rooms 3, 5, and 7 are located off of the small south hallway in ascending order, east to west.
- The **Anatomy/Physiology Lab** is room 2, located off of the south hallway and the south central hallway, with a single door entrance off of each hallway.
- **Counseling Services** are in rooms 3 and 5, located off of the small south hallway. These rooms connect to each other through a single doorway. Both rooms have rooms A – H, which are in ascending order, going clockwise starting in the northeast corner.
- The **Tissue Culture Lab** is room 4, located off of the south hallway, with **Biology Research**, room 4A, located off of the room, and **Image Analysis**, room 4B, located off of the south hallway. There is a single door connecting the biology research room to the central molecular bio lab, room 6.
- The **Central Molecular Bio Lab** is room 6, located off of the south hallway. There is a single door connecting this room to the advanced biology lab, room 8, and biology research, room 4A.
- The **Advanced Biology Lab** is room 8, located off of the south hallway. There is a single door connecting this room to the central molecular bio lab, room 6.
- Rooms 9 – 15 are located off of the west hallway in ascending order, south to north.
- Rooms 16 – 31 are located off of the northwest hallway in ascending order west to east.

- The **General Biology Lab** is room 16, located off of the northwest hallway, through a set of double doors. There is a single door connecting this room to the microbiology lab, room 18.
- The **Microbiology Lab** is room 18, located off of the northwest hallway. There is a single door connecting the room to the general biology lab, room 16, and the biology prep room, 22.
- The **Biology Prep Room** is room 22, located off of the northwest hallway. There is a single door connecting this room to the microbiology lab, room 18, and the anatomy/biology lab, room 26.
- The **Animal Room** is room 23, located off of the northwest hallway.
- The **Anatomy/Biology Lab** is room 26, located off of the northwest hallway. There is a single door connecting this room to the biology prep room, 22.
- Room 33 is located off of the north hallway.
- Rooms 34 – 56 are located off of the north central hallway in ascending order from west to east.
- **Learning Commons Open Computing** is in rooms 40, 45, and 48, located off of the north central hallway. Each room has two single door entrances leading into the room. Room 48 is connected via a single door to learning commons special media, room 44.
- **Learning Commons Collaboration** is in rooms 42 and 47, located off of the north central hallway. Room 42 connects to both learning commons special media, room 44, and learning commons open computing, room 40.
- **Learning Commons Special Media** is room 44, located off of the north central hallway. There is a single door connecting to both learning commons open computing, room 48, and learning commons collaboration, room 42.
- Rooms 57 – 69 are located off of the east hallway in ascending order, starting at the southwest corner and going
- The **Student Lounge** is room 57, located between the east hallway, the tutoring hallway, and the north central hallway.
- **Student Tutoring** is in room 71, located off of the tutoring hallway, with three entrances, one a double door entrance at the east end of the tutoring hallway, a second at the west end of the hallway, and the third opening into room 79.
- Rooms 71A – 71C are located off of student tutoring, room 71, along the east wall, in ascending order, north to south.
- Rooms 73 – 77 are located off of student tutoring, room 71, along the south wall in ascending order, east to west.
- Room 78 is located at the west end of the tutoring hallway.
- Rooms 79 – 81 are located off of the west wall of student tutoring, room 71. Rooms 80 and 81 are both accessible via room 79.
