Building layout (hallways & open areas):

There are seven (7) hallways in HTMB.

- The **Challenger Center Entryway** (1H07) is a circular entryway, located in the south central part of the building, connecting the Challenger Center main entrance, the south hallway, and the southwest hallway.
- The **Southwest Hallway** (1H10, 1H11, 1H13, and 1H12) is located in the southwest part of the building.
 - The hallway runs east to west, with a turn to the north at the west end of the hallway.
 - The western end of the hallway leads to the southwest entrance.
 - The hallway runs east into the Challenger Center entryway, separated by two double doorways, which open towards and into the entryway.
- The **South Hallway** (1H06) is located in the southern part of the building.
 - The hallway runs east to west, connecting the challenger center entryway and the southeast hallway.

- There is a double door separating the south hallway from the southwest hallway, which opens into the southwest hallway.
- The **Southeast Hallway** (1H05) is located in the southeast part of the building, with a north to south open area where it connects with the south hallway and the east southeast entrance.
 - At the north side's end it branches off running east to west while the north portion of the hallway connects to the restaurant, room 135, with a door separating them, opening into the southwest hallway.
 - The east to west section of the hallway runs west and then curves north to connect with the Foods Lab, room 157, with a door opening into the hallway.
- The **East Hallway** (1H04) is located along the east side of the building, running north and south.
 - The hallway connects with the restaurant (room 135), the world learning center main entrance, the northeast hallway, and the northwest hallway.
 - The east hallway is separated from the northeast hallway by a pair of double doors which open into the east hallway.
 - The east hallway branches off, running east to west to connect with the northwest hallway; the hallways are separated by a pair of double doors which open into the northwest hallway.
- The **Northwest Hallway** (1H03) is located in the northwest part of the building.
 - The hallway runs west to east, connecting with the east hallway and with the Center for Hospitality & Tourism Main Entrance.
 - The double door separating the east hallway from the northwest hallway open in toward the northwest hallway.
- The **Northeast Hallway** (1H01) is located in the northeast part of the building.
 - The hallway runs west to east, connecting the east hallway and the northeast entrance.
 - The double doors separating the east and the northeast hallway open into the east hallway.
- The **Challenger Center hallway** (1H09) is located in the Challenger Center, wrapping around from room 108 back to room 102, the Challenger Briefing Room.

Room Locations:

- Rooms 92 – 102 are located off of the southwest hallway in ascending order going from west to east.
- The **Planetarium** is room 92, located off of the southwest hallway. There are two (2) doorways from the Planetarium, both single doors opening out of the room. One is an entrance from the southwest hallway, and the other is an exterior entrance.
