Maintenance/Grounds Shop Facility (MGSF)

Building Text Description

Building Location:
The Maintenance/Grounds Shop Facility (MGSF) is located at the north end of campus, just northeast of University Drive and northwest of Bards’ Pond. MGSF is to the northeast of Parking Lot #2.

Entrances:
There are five (5) entrances into MGSF. All of the entrances are single door entrances. There are also seven (7) vehicle doors on both the north and south side of the building, which open into the grounds department’s vehicle storage, vehicle repair, and storage areas, and the maintenance department’s storage area.

- The West Entrance leads into a utility room with the door opening towards the outside.
- The Southwest Entrance leads into the grounds department office, the door opening into the room.
- The North Entrance leads into the vehicle repair area, the door opening into the room.
- The Southeast Entrance leads into the maintenance department storage area, door opening into the room.
- The East Entrance also leads into the maintenance department storage area with a door opening into the room, but there is no pavement leading to this door.

Elevators:
There are no elevators in MGSF.

Stairs:
There are no stairways in MGSF.

Restrooms:
There are three (3) restrooms in MGSF. All of the restrooms are single user restrooms with doors opening into the restroom.

- The first restroom is room 2, located off of the hallway in the grounds department.
- The second and third restrooms, rooms 13 and 14, are located off of the maintenance department storage area.

Building layout (hallways & open areas):
The Grounds Department is separate from the Maintenance Department as they do not share any doorways or hallways. All of the grounds department rooms have doorways that lead to
each of the other rooms, and a small hallway running from the office to the lockers and the open entrance into the vehicle repair area. The Maintenance Department consists of one main room with rooms off of it.

Room Locations:

- The **Lockers** are in room 5, located off of the hallway next to the entrance to vehicle repair.
- The **Store Room** is 7, located off of the vehicle repair room.
- **Vehicle Repair** is room 9, located off of the hallway with a doorway into vehicle storage. There are two vehicle doors into this room.
- **Vehicle Storage** is room 10, located between vehicle repair and storage, with a door into both of those rooms. There are two vehicle doors into this room.
- The **Storage** is room 11, located off of vehicle storage, with a door into that room, and two vehicle doors into this room.
- The **Maintenance Storage** room is 12, located on the east side of the building with both the east entrance and the southeast entrance leading into it.
