Donald S. Powers Computer Education Building (PWRS) Second Floor

Building Text Description

Building Location:

The Donald S. Powers Computer Education Building (PWRS) is located in the northwest corner of the Hammond campus, east of Woodmar Ave. and west of 169th Street Parking, south of the Classroom Office Building, just north of the Gyte Annex Building and just west of the Potter Building. PWRS is located on the Peregrine Path, connecting to both the Gyte Annex Building and the Potter Building.

Entrances:

There are nine (9) entrances into PWRS, all of which are located on the first floor. To access the second floor there are two stairways and a connecting hallway to the Potter Building, which is the Peregrine Path hallway. For elevator access onto the second floor of PWRS, the Potter Building has an elevator onto the second floor, which connects to the second floor of PWRS at the Peregrine Path hallway.

Elevators:

There is not an elevator to the second floor of PWRS. For elevator access onto the second floor of PWRS, the Potter Building has an elevator onto the second floor, which connects to the second floor of PWRS at the Peregrine Path hallway.

Stairs:

There are two (2) stairways in PWRS.

- The **North Stairway** (2S02) is located at the north end of the main hallway through a single door entrance.
- The **South Stairway** (2S01) is located at the west end of the Peregrine Path hallway and the east end of the south hallway, double doors separating the stairway from both hallways.

Restrooms:

There is one set of public restrooms on the second floor of PWRS. They are located at the north end of the main hallway.

- The **Women's Restroom** is room 228.
- The **Men's Restroom** is room 227.

Building layout (hallways & open areas):

There are four (4) hallways on the second floor of PWRS.

- The **Main Hallway** (2H03) runs north to south, connecting with the south hallway and the north stairway.
- The **Peregrine Path Hallway** (2H01) runs west to east, connecting with the Potter Building through double doors opening into the hallway, the south stairway and the south hallway through double doors.
- The **South Hallway** (2H02) runs west to east, connecting with the south stairway, the Peregrine Path hallway and the main hallway.
- The **West Hallway** (2H05) runs north to south as an interior hallway, connecting to the customer service walk up and rooms 224 and 215F.

Room Locations:

- Rooms 201 – 211 are located off of the south hallway in ascending order east to west.
- The **Conference Room** is 201, located off of the south hallway.
- The **Training Facility** is room 204, located off of the south hallway through a set of double doors. This room also connects to the computer machine room through a set of double doors.
- Rooms 213 and 216 – 232 are located off of the main hallway in ascending order south to north.
- **CSC Desktop** is room 213, located off of the main hallway through a set of double doors. The room connects to the customer service walk up through a door, and to room 215F through a door. Rooms 213A – 213C are off of this room.
- The **Customer Service Walk-Up** is room 216, located off of the main hallway through a single door, and off of the west hallway. This room also connects to room 224 and the CSC Desktop, room 213.
- The **Computer Machine Room** is 226, located off of the main hallway through a set of double doors. This room is split into three (3) smaller rooms, the southernmost one connecting to the training facility, room 204.
