Charlotte R. Riley Child Center (RILY)

Building Text Description

Building Location:

The Charlotte R. Riley Child Center (RILY) is located east of Woodmar Avenue and south of 173rd Street and the South 173rd Street parking lot. The building is situated immediately to the west of a university drive roundabout that is accessible from 173rd Street.

Entrances:

There are six (6) entrances into RILY.

- The **Main Entrance** is the east entrance (L1), which leads into the east hallway, or entryway.
 - There is an interior and exterior set of doors at this entrance, separated by a vestibule.
 - This is a covered entrance.
 - This entrance has pavement leading up to it.

The entrances on the west side of the building are all covered entrances.

- The **Southwest Entrance** (L2) is a single door entrance that opens outside. It leads into the southwest hallway.
- The **West Southwest Entrance** (L3) is a single door entrance that opens outside. It leads into the west southwest hallway.
- The **West Entrance** (L4) is a single door entrance that opens outside. It leads into the west hallway.
- The **West Northwest Entrance** (L5) is a single door entrance that opens outside. It leads into the west northwest hallway.
- The **Northwest Entrance** (L6) is a single door entrance that opens outside. It leads into the northwest hallway.

Elevators:

There are no elevators in RILY.

Stairs:

There are four (4) sets of stairs in RILY.

- The **South Stairway** is located within room 112, connected to the southern wall.
- The **North Stairway** is located within room 159 connected to the northern wall.

- The **Northwest Stairway** is located off of the west hallway on the north side of the hallway.
- The **Southwest Stairway** is located off of the west hallway on the south side of the hallway.

Restrooms:

There are two (2) public restroom in the RILY. There are five (5) restrooms in the classrooms for the children to use.

- The restrooms are single-user restrooms.
- The public restrooms are located off of the east hallway, room numbers 103 and 104.
- Rooms 113, 123, 144, 149, and 159 are children's restrooms.

Building layout (hallways & open areas):

There are six (6) hallways in RILY. The building is split into three sections, each section associated with one of the classrooms: 112, 135, and 159.

- The **East Hallway** (1H01) doubles as an entryway, running north and south connecting to the main entrance, rooms 112, 135, and 159.
- The **Northwest Hallway** (1H06) runs from the northwest entrance to room 159.
- The **West Northwest Hallway** (1H05) runs from the west northwest entrance to room 159.
- The **West Hallway** (1H04) runs from the west entrance to room 135, separated by a single door that opens into the hallway.
- The **West Southwest Hallway** (1H03) runs from the west southwest entrance to room 112.
- The **Southwest Hallway** (1H02) runs from the southwest entrance to room 112.
