Comments	4	<ul style="list-style-type: none"> • The instructor made this difficult subject much easier by his light-hearted, pleasant attitude and humor. • Awesome teacher really knows a lot about the subject. • Professor Kuhn has one of the best attitudes I've ever seen from a professor. He makes a class I was dreading more enjoyable. • Professor Kuhn is well organized and explains math well to those like myself who don't understand it well. He also appreciates his student's and them choosing to pick his course, and that in it self I fell drives him to teach to the best of his ability.
