Comments	3	<ul style="list-style-type: none"> Prof. Kuhn has really been a great professor. I really struggle with math and esp. statistics and I probably shouldn't have taken this course online, but he has really worked with me to make sure I'm doing well. He has really worked with me to make sure I'm doing well. He has really worked with me to make sure I'm doing well. Good class, tough subject the professor goes out of his way to make sure you know what is going on. I would send him an email and he would either call me or IM me within a couple of minutes just sure I know what I'm doing.
