SETTING YOUR SIGHTS ON THE FUTURE.

THAT’S POWERING ONWARD.
Purdue University Northwest
A Premier Metropolitan University

Diverse, hard-working, and innovative, PNW is where academic excellence meets real-world experience. Sitting between Chicago’s skyscrapers and Lake Michigan’s sandy shores, we bring together students from next door and those from halfway across the world to learn, grow and excel.

Your PNW experience will go beyond the classroom as you build hands-on skills and create connections with professors who care. Move toward your dreams. Power Onward with PNW.

Intelligence. Strength. Resilience. Heart. These lion-sized attributes make Leo the perfect PNW mascot.

Our athletic teams compete as the Pride, evoking both a “pride” of lions and the pride we show in our students, faculty and community. Lions are respected and feared, and PNW stands strong against any opponent.
PUSHING PAST YOUR LIMITS. THAT’S POWERING ONWARD.

Find Your Right Fit

From Spanish Club to the Society of Automotive Engineers, there are organizations for every passion and interest at PNW. You can join a professional society, volunteer in the community or even learn to play a new sport!

80+ Student Organizations

Over 40 Intramurals to choose from

Living on Campus

Our Hammond campus offers apartment-style housing with private bedrooms for you and your 750 new best friends. You can walk everywhere — you’ll be steps from our fitness center and less than a mile from every building on campus.

University Village residence halls — Peregrine and Griffin — are at the center of many campus activities. Attend movie screenings, ice-cream socials, game nights and pancake study breaks without leaving home.

Cost of living on campus

$5,707

(for the 2020-21 academic year in a four-bedroom apartment)

RESIDENCE HALLS FEATURE

- 4-bedroom/2-bathroom and 2-bedroom/1-bath furnished apartments with living rooms and kitchens
- Computer labs with free printing
- Outdoor patio and study area
- Study and conference rooms
- Soundproof music rooms
- Laundry facilities on each floor
- WiFi throughout the complex
- 24-hour service desks
- 24-hour staff on call for emergencies
College of Business

From accounting to management, our internationally accredited business programs are a great choice for you to be career-ready from day one. Our diverse team of scholars and business professionals will build your skills and bring real-world experience into the classroom.

White Lodging School of Hospitality and Tourism Management

Build a foundation for a career in the flourishing hospitality industry. Our interdisciplinary degrees promote hands-on learning across the field, from food and beverage management to travel, tourism, recreation, event management and more.

Our Graduates Work For

- Ernst & Young
- PepsiCo
- Hilton
- The Walt Disney Company

One of the assignments in my personal selling class was to shadow a professional sales representative. It was really impactful being thrust into a real-world situation.

— Hector Cabrera, Communications, Business minor
**Accounting**
Develop the knowledge you need to thrive in this growing industry. Many PNW courses are led by business practitioners with professional certifications and years of experience.

**Management**
Are you ready to lead? Skilled managers are always in demand, and our program will help you develop the tools to become a visionary leader.

**Criminal Justice**

Develop a framework for careers inside the criminal-justice field with a hands-on blend of research and out-of-classroom experiences.

**Elementary Education**

Our accredited program will prepare you to teach learners in kindergarten through sixth grade, enabling you to choose where you want to teach in school districts across the country.

**Psychology**

Research, mentorship and internship opportunities will help you build the foundation for a career studying human behavior—and understanding the human condition.
College of Nursing

Grow your career in the country’s most trusted profession by enrolling in one of PNW’s nationally recognized nursing programs. Our affordable, respected programs offer the credentials you need to move forward!

Clinical experience is built into our comprehensive program, helping students develop the hands-on skills needed to thrive in any care setting. You will work with people from a variety of backgrounds, preparing you well for your future in nursing.

PNW is designated as a Center of Excellence by the National League for Nursing.

Our Graduates Work For
- Franciscan Health
- Community Healthcare System
- Porter Regional Health

In the nursing program, my professors are nurses, so they provide us with real-life examples.

—Nikoletta Kyriakakis, Nursing
Professional Nursing
Gain the practical training and real-world expertise you need to advance in a career focused on improving the future of health care.

Accelerated Bachelor’s Second Degree
Have a bachelor’s degree? Our accelerated program lets full-time, motivated students earn a BSN degree in nursing in a shortened timeframe.

Online RNBSN Completion Program
This respected online program provides a flexible opportunity to advance from an associate’s degree to a bachelor’s degree.

Nils K. Nelson Bioscience Innovation Building
Opening in fall 2020, this $41 million facility will provide state-of-the-art learning spaces for PNW’s nursing and biological sciences departments. A dynamic learning environment, its 68,000-square-foot interior gives students opportunities for hands-on learning using cutting-edge simulation technology and instructional labs and active classrooms.

Apply online at pnw.edu/apply-now
College of Technology
