SETTING YOUR SIGHTS ON THE FUTURE.
THAT’S POWERING ONWARD.
Purdue University Northwest
A Premier Metropolitan University

Diverse, hard-working and innovative, PNW is where academic excellence meets real-world experience. Sitting between Chicago's skyscrapers and Lake Michigan's sandy shores, we bring together students from next door and those from halfway across the world to learn, grow and excel.

Your PNW experience will go beyond the classroom as you build hands-on skills and create connections with professors who care. Move toward your dreams. Power Onward with PNW.

Approximately 9,300 students

70+ Areas of Study

Full-time Freshman Students 95%

Student-to-Faculty Ratio 16:1

30 Miles (48 Kilometers) to Chicago from Hammond Campus

15 Miles (24 Kilometers) to the Dunes from Westville Campus

BEING IN THE FIRST GENERATION OF YOUR FAMILY TO FINISH COLLEGE. THAT'S POWERING ONWARD.

Leo the Lion

Intelligence. Strength. Resilience. Heart. These lion-sized attributes make Leo the perfect PNW mascot.

Our athletic teams compete as the Pride, evoking both a pride of lions and the pride we show in our students, faculty and community. Lions are respected and feared, and PNW stands strong against any opponent.

PUSHING PAST YOUR LIMITS. THAT’S POWERING ONWARD.

Find Your Right Fit

From Spanish Club to the Society of Automotive Engineers, there are organizations for every passion and interest at PNW. You can join a professional society, volunteer in the community, explore a faculty-led study abroad program or even learn to play a new sport!

80+ Student Organizations

Over 40 Intramurals to choose from

Living on Campus

Our Hammond campus offers apartment-style housing with private bedrooms for you and your 750 new best friends. You can walk everywhere — you’ll be steps from our fitness center and less than a mile from every building on campus.

University Village residence halls — Peregrine and Griffin — are at the center of many campus activities. Attend movie screenings, ice cream socials, game nights and pancake study breaks without leaving home.

RESIDENCE HALLS FEATURE

• 4-bedroom/2-bathroom and 2-bedroom/1-bath furnished apartments with living rooms and kitchens
• Computer labs with free printing
• Outdoor patio and study area
• Study and conference rooms
• Soundproof music room
• Laundry facilities on each floor
• Wi-Fi throughout the complex
• 24-hour staff on call for emergencies

Cost of living on campus

$5,850

(for the 2021-22 academic year in a four-bedroom apartment)

College of Nursing

Nils K. Nelson Bioscience Innovation Building

PNW is committed to real-world experience and hands-on learning, and nowhere is that more evident than our newest building, the Nils K. Nelson Bioscience Innovation Building. Located at the heart of our Hammond campus, this $41 million state-of-the-art facility has teaching classrooms for our nursing and biology students, including entire sections designed to look just like physicians’ offices or acute care facilities.

In the nursing program, my professors are nurses, so they provide us with real-life examples.

—Nikoletta Kyriakakis, Nursing
