What will make you proud when you look back on your college experience? How about striding across the stage at graduation, or getting your first real job offer? Picture yourself thinking back through the experiences that gave you the confidence to start a career or pursue a graduate degree. The friends, professors and mentors; the places you hung out, like Chicago, Lake Michigan beaches or neighborhood hotspots. Most importantly, the things you were exploring when you found your voice— or as our students say, your ROAR.

College is more than lectures and books. It’s about discovering who you are and what you’re good at doing. At Purdue Northwest, you will earn a quality degree while gaining real-world experience that prepares you for lifelong success. Take pride in…

- Building one-on-one relationships with professors who know you.
- Solving problems for industries and your own community.
- Venturing to nearby Chicago or hiking at the Indiana Dunes National Park.
- Cheering with your friends at a PNW game.

It all begins by joining the “Pride” at Purdue Northwest.

PAWS UP! ROAR PRIDE!
**PURDUE NORTHWEST AT A GLANCE**

- Approximately 10,000 students
- 65,000+ alumni
- 30 Miles to Chicago (from Hammond Campus)
- 15 Miles to the Dunes (from Westville Campus)
- 70+ Areas of Study

WHERE DO OUR GRADUATES WORK?

**TOP 10 INDUSTRIES**

- Healthcare
- K-12 Education
- Manufacturing
- Retail
- Restaurants
- Government
- Construction
- Internet & Software
- Higher Education
- Hotels

MEET OUR MASCOT LEO
As a student-athlete, Kyleigh Payne (pictured above) made her roar heard from the pitching mound at PNW’s Dowling Park. Kyleigh’s softball career at PNW hit record highs her senior year. She collected numerous accolades, including being selected for the National Fastpitch Coaches Association NCAA DII All-American Third Team and All-Midwest Region First Team, as well as winning Great Lakes Intercollegiate Athletics Conference (GLIAC) Softball Player of the Year honors. She was also the first female student-athlete to earn GLIAC Player of the Week recognition during the 2018 season.
250 STUDENTS / 13 SPORTS / 1 TEAM

Pride athletes are leaders on and off the field and are known for their high academic achievement and giving back to the local community.

PNW Proudly competes as a member of the Great Lakes Intercollegiate Athletics Conference in NCAA Division II.

COLLEGE OF BUSINESS

THINKING DIFFERENTLY. MAKING A DIFFERENCE.

Do you dream about being your own boss? Or being a leader at Disney, Hilton or The World Bank? Are you interested in studying the growing fields of business analytics, finance or human resource management?

We can help you get there. Teamwork, marketing, and accounting are just a few of the skills you will perfect in our classrooms.

WHITE LODGING SCHOOL OF HOSPITALITY AND TOURISM MANAGEMENT

Learn from the pros in a state-of-the-art kitchen or on a behind-the-scenes tour of a cruise ship. We cover all the bases, from fundamental economics to food service, in our premier educational facilities.
You are passionate about helping others. We get it.
Our classes will give you hands-on experiences in clinical simulations and laboratories that will prepare you to join the in-demand healthcare workforce.

$40.5 M
NILS K. NELSON
BIOSCIENCE
INNOVATION BUILDING
TO OPEN 2020

Nursing and biological sciences classes will be held in the new Nils K. Nelson Bioscience Innovation Building.
We take you beyond traditional classrooms. From racing a NASA Rover to designing 3-D visualization models, you will find our faculty and students asking the "why not?" questions in the engineering professions.

COLLEGE OF

ENGINEERING & SCIENCES

BE A PART OF SOMETHING BIG.

With hands-on research and expert-led instruction, you will be ready to succeed in highly sought-after STEM careers.

SCHOOL OF

ENGINEERING

We take you beyond traditional classrooms. From racing a NASA Rover to designing 3-D visualization models, you will find our faculty and students asking the “why not?” questions in the engineering professions.
COLLEGE OF
HUMANITIES, EDUCATION
AND SOCIAL SCIENCES

EXPLORE. UNDERSTAND. CREATE.

Take on the challenges of the world.
Produce your own radio or television show.
Write award-winning scripts.
Aid others through social work.
Develop diverse perspectives to be an active citizen.

SCHOOL OF
EDUCATION AND COUNSELING

Your commitment to helping others is exceptional. We recognize that. Participate in interactive environments and take on the real-world challenges that will transform you into the leading teachers and counselors of tomorrow.
COLLEGE OF TECHNOLOGY

CONNECTED TO BUSINESS AND INDUSTRY

Are you ready to solve real-world problems?
Our direct connection to many leading regional and global technology companies will give you a one-of-a-kind learning experience.

Highly in-demand positions in fields such as cyber-security, construction, advanced manufacturing and computer graphics technology await your graduation.

National Center of Academic Excellence in Cyber Defense Education
HONORS COLLEGE

The Honors College at Purdue Northwest is dedicated to enhancing the opportunities and learning experiences of its students. Being accepted into this program will add leadership skills, community services, substantive research and more to your college experience — all without adding extra coursework.

GLOBAL ROAR

The Office of Global Engagement works to develop a global mindset for all PNW students. Learning at PNW isn’t limited to just the classroom, or even northwest Indiana. PNW’s study abroad and exchange programs can send you all over the world to explore new places and experience new cultures. You’ll return with a greater understanding of yourself and the far-reaching impact you can have in the world.

WELCOME WEEK
Kick off the fall semester with a series of events and activities that will introduce you to all of the resources PNW has to offer.

LATE NIGHT MADNESS
Celebrate the start of Pride basketball season with food, games, contests and prizes.

PHOTOS WITH THE LIONS
Show your pride by posing near the lion statues that decorate the campuses.

HOMECOMING EVENTS
Get into the PNW Homecoming spirit with a month long celebration at the beginning of the spring semester with give-aways, activities and sporting events.
“Being a part of the men’s basketball team was a great experience. We didn’t just focus on being basketball players, we focused on being a family where everyone feels welcomed. I’ve had such a good experience here at PNW because of the professors. They take their time to go over the material outside of the classroom to make sure the students fully understand what is going on inside of the classroom.”

- Ronald
  Civil Engineering major

“My first year at Purdue Northwest was an eye opening experience. I love how staff and faculty are willing to be helpful and nice. PNW’s robust athletics program allows me to pursue my love for dance on the dance team with teammates who have the same passion as I do. I have created friendships and connections with people that I will remain in contact with for the rest of my life and I am forever grateful for the opportunity to attend PNW.”

- Tyreena
  Sociology major with a concentration in Criminal Justice
